TerrySep 29 at 1:21 AMTo the loving family, staff, industry colleagues, friends, and listeners' of Larry's travel reports over the many years, please know that I feel blessed to have known Larry as a cruise expert and more importantly as a friend. My sister and I greatly respected and loved Larry for his genuine kindness and friendship. Larry was a very smart and savvy travel entrepreneur whose passion and love of people was greatly evident everyday. I loved that Larry was so humble and so generous with his time and knowledge. Larry was so proud of his family and spoke of his love for them often. God bless all who knew, loved and respected Larry with a peace that passes all understanding. We love you Larry! Sara Levine Morales lit a candle in honor of Lawrence.

I will never forget you, you walked me down the aisle as my father and helped give me away to the most wonderful man in my life. When I was about to walk down the aisle you gave me a smile and I was so happy. We may have lost touch through the years, but I will always love you. You were a great pseudo dad. I will miss you.
