Barry, You were the love of my life a day hasn't gone by I haven't thought of you. Sorry I didn't go to Alaska when you asked. Just to many inferences in our life. Rest in peace my friend. I know chemistry like ours will never die we will meet again. Love Max

My brother! I often think about the times we traveled to Kodiak and Kenai for work and we always seemed to be in the same hotel room. The day we climb Barometer mountain on our day off in Kodiak is one of my favorite memories with you, and countless crazy things we did at work, I hope you found your peace my Union brother! Bobby
