Dr. Jonathan Sonner, you are in my thoughts, prayers and heart always. I am facing challenges that I feel are testing my faith and you continue to inspire me every day. I miss you and no one has yet to fill my heart with the love that I felt and will continue to feel when I think about you. I pray often that you are in our fathers loving arms and one day we will see each other again....With much admiration and love, Ela Smilack

I am saddened to hear of your loss. I hope you can find comfort through our loving Father and his Holy Bible. Revelations 21:4 mentions "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." We can confidently look to the future when Jehovah God, the Giver of life, will bury death forever!

Dear Jonathan, It is almost two years ago since you passed on to our loving fathers arms and there is an incredible void in my heart. I miss you so much and think about you literally everyday. You are my hero and I hope you knew that you were the love of my life and somehow, I always thought that we would have ended up together until death do us part. I will love you forever and you will always be in my heart.....With love and admiration, Ela
