Dear Bernice, Liz and Leon: My sister and I just learned of the recent passing of your beloved husband and father Ben Muler. My parents Stanley and Irene Bluman, of blessed memory, were very fond of Ben. His incredible love of life, sense of humor and support for Israel were only a few of the many incredible qualities of this great man. He was most certainly a part of the "glue" that kept the Dayton, Ohio Holocaust community together. I and my sister have fond memories of you, starting as far back as when we were small children when you lived on Platt Circle in Dayton View close to 60 years ago. Please send our love to Bernice and tell her that "Bobby" sends his love and thinks of her often. Much love is sent your way. Robert D. Bluman and Family. Lillian H. Bluman-Hilton M.D. and Family.
