Justin Gray posted:

The most beautiful spirit that ever touched my life. You are my inspiration for never giving up and loving with all my heart. You are not gone Timmy. Timmy you are in my heart, singing with the happiness you always had when you talked to me, "I got my top hat, my big black bow, all I need is you to get me through." Because of you I know what it means to have the most loyal friend in the entire universe. You will always have me to talk to anytime you're not playing with Phebe. Love you with all my heart. You made me a better person and showed me what it means to truly care about someone. You are in my heart forever and my forever angel. Love, Justin
