As his first granddaughter my memory is long and last night as I went through pictures of him and my grandmother who is by his side at their place of rest it was then I remembered how much of an impact his love and my grandmothers love had made to shape who I am today, they will never be forgotten till we meet again

Saba we miss you and know you are in a better place. There is no more pain or suffering, no more tears or sorrow only joy. We rest knowing you are in heaven and have eternal life. Make a place for us. We look forward to the day we will embrace you again.
