Duane worked on my cars for over 30 years. I was there through the creation of his kids and grand kids. He was always happy and nice and caring. I use to go with him to run errands during my car doctoring's and we would go to this ma and pa place and eat grape leaves. I always looked forward to the annual car appointments due to not only my car getting the best care ever but I was part of his amazing presence on that day . He was always fare and honest about the cars repairs and such a pleasure to be around. He had the spirit of a child and the knowledge of a man. My heart tore when I heard of his passing. I often still think of Duane and know I always will.
