Sharon Hernandez posted:

Our family had the pleasure of meeting Brian and his family about 12 1/2 years ago when both our sons started playing sports in the PAL leagues with baseball and soccer. Throughout the years, they played on a few teams together and we got to know him a little better. I just saw him a few weeks ago when Aaron's high school baseball team played against my kids' school. As always, he was his jovial, friendly self. He was almost always in a great mood and laughing.. unless of course his kids team was losing or a ref/umpire was making a bad call... LOL but even then he was always a kind and tactful man.. I'm still in shock that he's gone. Next to my husband, he was one of the most dedicated fathers I've known... always involved in their sports and activities as we were usually running into each other on some field somewhere with him almost always dressed in his scrubs and even dropping off one child at their activity and leaving to take yet another one to their activity next. Our family sends their condolences to Felice, Lindsey, Aaron, Jared, and Danielle. Sharon, Julio, Matthew, and Samantha Hernandez

Lois Whitman And Claire Langfelder posted:

To the family and friends of Dr. Sigal - My mother began seeing Dr. Sigal 10 years ago for her chronic leg wounds. He was an outstanding and caring physician who saved her legs several times. At one point her leg wound had progressed to osteomyelitis and Dr. Sigal came to the rescue using painstaking care and creative solutions. We feel devastated at his loss and can't believe he's gone. We even have a picture of him and Mom on the frig. Dr. Sigal answered answered calls on his cell phone and called me when he had concerns (and I'm in Los Angeles!). We will miss him terribly and send our condolences to the family he loved so much. Claire Langfelder and Lois Langfelder Whitman

Dr. Sigal was our doctor for over 10 years. He was by far the most wonderful person and doctor we have ever known. Ken and I loved him like a son. Our hearts go out to his wonderful family that he loved so dearly. We are so very very sorry for your loss. He will be greatly missed by so many people. I always used to call him "my number one man". Our hearts are filled with sorrow. We loved him and will never ever forget him. May he rest in peace. Love, Betty and Ken Carlson

Dr Brian Sigal was my housemate in the years I attended Podiatric medical school at the Ohio college of Podiatric Medicine from 1987-1990. His smile and sense of humor help get me through those years and although we lost touch for a spell, I will never forget him and thank him for being a great friend to me-he will be missed by all who knew him!!!!

Precious jewel that will be greatly missed was a patient of Dr Sigal for 10 years

Clancy McCormick posted:

Our deepest sympathy goes out to Dr. Sigal's family. Dr Sigal was a very caring person for his patients. I have been a patient of Dr. Signal since 2004. Dr Sigal has amputated three of my toes. He was such a precious jewel that will be greatly missed. Dr. Signal was like my big brother. Rest in peace and ask that God strengthen his family

Angela McCall posted:

Our deepest condolences to Dr. Sigal's family and friends. My mom started seeing him 4 years ago with a big leg wound and he saved her leg. He was the greatest doctor ever!! Not only that is he was such a caring and giving person. He would talk about the Gators with my mom all the time, as she is an Alumni. She can be a bit of a crank but he made her laugh and she looked forward every six weeks to come and see him. We both love him very much and he will be greatly missed. Your family is in our prayers. Sincerely, Shirley E. Hayden Young and Angela McCall.

Stephen Barr posted:

This is a message from Stephen Barr and Helen Goldenberg both patients of Dr. Sigal. We are extremely sad to note his passing and have trouble even believing that he is gone. If a person could imagine an ideal doctor, Dr. Sigal would be that person. He was able to treat Stephen a few years ago and make it possible for him to walk. Other doctors had failed in this mission so this constituted a miracle. Stephen does not follow advice of doctors in many situations but he has always been careful to follow Dr. Sigal's advice because of the sincere and kind way in which the advice was expressed. As patients, we feel an enormous loss. We cannot imagine what the family is feeling. We also found out about various achievements of the children and we know that he was extremely proud of all of them. We send wishes of sympathy, comfort, and condolence to all of you, Helen and Stephen. Stephen's address is 1802 Eleuthera Point Apt. E-3, Coconut Creek FL 33066.

Brian Sigal was dedicated to his work and caring towards his patients and coworkers but there was nothing he loved more than his wife and kids. He lived for his family. He lit up every time we talked of them. The world lost a great man and he will be forever in our hearts. Cheers Brian!! I hope that you have a fine glass of wine in heaven and plenty of peanut butter pretzels.
