"I am very sorry for your loss. I learned by chance that Estelle passed away. Estelle answered to my letter a long time ago. She was very happy to write to me about the family history, many things I did not know. She promise to write again, but never did. Now she is gone. So sad. I hope that someone from her family will try to contact me so I will learn more about this branch of the family tree, that started in Poland many years ago. I am the granddaughter of Taube. Taube was Dora's (Estelle mother) sister. Taube emmigrate to Uruguay and had two daughter: Janet and Rebecca. I am Janet's daughter. I live in Israel.
