Bernard Goodman

JUN 4, 1926 - JUN 30, 2014

Goodman, Bernard, 88, passed away June 30, 2014. Many complimentary words have been used to describe my wonderful husband of 64 years- My Bernie. He was a kind, sweet, true gentleman and excelled in all he did thru hard work and possession of "Yiddisher Kop". He formed an international engineering and construction corporation that occupied three floors in the World Trade Center. Bernie won a math medal at City College and played on their varsity sports teams and he just loved golf. But his true loves were his family- his two daughters, Alyce and Sue and her husband, Bob; his granddaughter, Rae and her husband Evan; his grandsons Ben and David. He was so looking forward to welcoming a great grandchild in the fall. His love also encompassed his wonderful friends, brother-in-law, cousin, nieces and a nephew who all greatly respected him and returned his affection. Rest in peace, my darling. Mimi. Graveside service will be 11 am Monday, July 7, 2014 at Cedar Park Cemetery Paramus. www.levitt-weinstein.com

I just came across this obituary. Have been wondering for many years what happened to Bernie. I worked under him at H-R and we became good friends. Traveled many times with him to various places in Europe and Venezuela also. One of the best trips ever was in 1980 when we took my wife Margie and his dear wife Mim and went to a company convention at Lake Como in Italy. It was a great meeting including boat rides on Lake Lugano, a wonderful banquet and a private concert with Vladimir Askanazi playing Chopin for hours. Then off for a few days in Venice and a few days in Paris. We each enjoyed the company of the other and it was memorable. Margie Nd I offer our deepest condolences to all of Bernie's loved ones.
