Suel just want to say from the first time I met Yetta I knew she would be a person who would stay in my heart. Her quick humor was great! We pass through life and meet many people but there is always a few who stick with you and Yetta was one of those people who will be in my heart. I think of her often and her death was bitter sweet for me. You were blessed to have such a wonderful mom and I know she was doubly blessed to have you two in her life. My heart and thoughts are with you. Sincerely, Sheila O'Brien
