Copper crossed the rainbow bridge to be with you. Corey misses you both. I would love to have met you but with all the wonderful things Pops says I know you were beautiful inside and out. Love always,OJ

Thank you for coming here to pay your respects. Please don't send flowers. Although we are not religious at all, it is not part of the Jewish religion to send "live" things at this time. If you want to do something, I will have a link later today to a dog rescue facility that will take any donation in her name. You may also want to donate to Heifer International. Thank you. Rick Irwin lit a candle in honor of Flynne.

I knew Flynne for a very long time, In all the years I've known her she never had a bad word to say about anyone. Her heart was as big as the ocean and she loved her family more than anything. As I think back at all the wonderful times we shared at LBI or at her dad's swimming pool I will always remember her smiling and she always had a camera at her side. I ran into her and Cory not too long ago at Stop & Shop and seemed really happy. That will be the way I remember her RIP Flynne and say hi to my mom you'll be missed Rick Irwin

My sincere condolences to Flynne's family and friends. I grew up in the same building in Washington Heights as Flynne and we played together as young girls until her family moved away. I remember one time she was playing in my apartment when we had a huge blackout (in the sixties) and my dad walked her downstairs back to her apartment by flashlight. This is such sad news. May her memory be a blessing. Karen Gross Sperber
