David Brown posted:

Marsha was my Aunt and my Father's sister. She was always full of life and I have great memories of visiting Florida as a young child and staying with her and the family. Marsha was progressive. She was smart. She was logical. She was a great mother and a great wife. I will truly miss her. David Brown

Marsha has always been in my life. We grew up together. Her advice, laughter, and intelligence has helped me throughout my life. To me Marsha was not a cousin but a sister. I will miss her but she will always be in my heart. Roberta
