Michelle Moliver

JUL 28, 1960 - NOV 15, 2014

Moliver, Michelle Beth Serotte, born July 28, 1960, in Buffalo, New York, passed away on November 15, 2014, in Palm Harbor, Florida, with family by her side. She is survived by her loving and devoted parents, Irwin and Marilyn Serotte; her twin sons Michael and Jeffrey Moliver; her brother Steven (Pamela) Serotte and many special aunts, uncles, and cousins. She is preceded in death by her grandparents William and Ethel Serotte and Donald and Revella Rosenthal.

Michelle was a graduate of Miami Killian High School and attended the University of South Florida in Tampa. She enjoyed a successful career as the information technology manager for Carnival Cruise Lines and was most recently employed as a global accounts manager for HelmsBriscoe.

In addition to her outstanding professional skills, Michelle was extremely gifted with artistic talent. She had a passion for all animals, especially her cats, and she loved to travel, the ocean, and beautiful sunsets. Michelle valued her many special friends and family who were always loyal and a source of inspiration, but by far her greatest inspiration was the love for her children, Michael and Jeffrey. She treasured her role as their mother and they were the true joy of her life.

The family would like to express sincere gratitude to everyone who has shared their compassion and support during this difficult time. A service to celebrate Michelle's life will be held on Sunday, January 25, 2015, 11:00 a.m., at Levitt-Weinstein Memorial Chapel, 8135 West McNab Road, Tamarac, Florida 33321. In lieu of flowers, memorial contributions may be made to Leukemia & Lymphoma Society (www.donate.lls.org) or a charity of your choice. Arrangements entrusted to Levitt-Weinstein in Tamarac, 954-721-2500, www.levitt-weinstein.com.

My name is Cindy and I met Michelle through Care.com when she was looking for someone to take care of Jeffrey and Michael while she was undergoing a bone marrow transplant in Dec. I am in total shock to learn of her death as we just spoke a few days after Halloween...I helped the boys decorate the villa and while she was tired and looking to me to be there for her upcoming chemo, I saw nothing that made me think her death was imminent and I don't think she did either. She loved her sons so much and was extremely patient with their energy. I live just across the road from her, which, among other things, made it such a good fit for the both of us. I can't express enough how sad I am for her and those little boys who clearly adored her. I am reaching out to the brother who was to be her donor and asking if I can see the boys. We had bonded. I m also a single mom of two sons and we shared that commonality. Rest Michelle.

First, Elliot and I would like to express our deepest sympathy to Marilyn and Irwin, Pam and Steve, the rest of her family, especially her beautiful boys, Jeffrey and Michael. Michelle was a wonderful mother, so very patient and loving. I saw her commitment to those boys! She was our neighbor, but more important than that, she was our friend! She will be missed! Rest in peace, Michelle!

My deepest sympathies to Michelle's family and her 2 boys. I am so sad to hear about the loss of Michelle and cannot stop thinking about her. I have known her since meeting her in 1981 at The University of South Florida. I knew no one when I started college at USF, moving from Ohio by myself at age 19. She and I met when I moved across the hall from her in the dorm hall Alpha. We instantly became friends as Michelle was so welcoming and such a loving, caring person. We did a lot of things together and she introduced me to many of her friends. She was the reason I loved it there and felt at home. We have been in contact after all of these years even though we lived so far apart. She was such a great friend and is so deeply missed. I will miss you Michelle, my friend. Lisa Lehmann Bachmayer

I am full of grief since learning about Michelle's passing. We were good friends at Carnival. We cruised together, went to parties together. and I watched her cats when she went on vacation. We had a lot of fun. My deepest condolences to Michell's family and children. I am heartbroken. Ellen Gelber
