I met David Blauner three to four times, and remembered each and every time - he was that kind of a character. The first time I met David was at my brother George and Linda's pre-wedding getting to know each other dinner. It was there that we learned about David's near-death experience, but even more astonishing was the story of how David and Shirley had to suddenly take in and raise three children because of a tragedy involving Shirley's brother and wife. The last time I saw David was at Sydney's bat mitzvah. My wife Alison and I were driving David and Vicki somewhere, and he had us in stitches the whole time. He will be missed. I know David because his wonderful daughter, Linda, married my brother George. Through the years David and I would talk on the phone about stocks he handled forme but also about his time in South Carolina where I was living at the time. He had such fond memories of his student days at The Citadel in Charleston, SC. Many of those conversations had to do with how lucky his was to have the family he had. He was always so proud of their accomplishments. In many ways I felt like I was an honorary daughter. He will be missed greatly, but the legacy of his children and grandchildren live on.
