I am so upset to have learned the death of Sue. She was a real sweetheart. I met her years ago when she referred me to sell her friends Townhome who used to live across the street from her and Stan. I would love o visit them to see all the arts and crafts they made and helped prepare them for their road trips. We'll now sue is with Stanley and their great big St. Bernard! She will be missed by myself and my husband....what a sweetheart. Sue would come to breakfast at my husband's cafe....The Mayor's Cafe, next to Publix. Sue...I cherished your friendship and so sorry you departed without the chance to say goodbye.....Barbara Parlavecchio Ortis
