Visited my love today at the cemetery. The inscription is on the stone. Just the way he wanted it. Had a nice chat with him and told him what is going on in our lives. LOVE him and miss him. Your wife forever Lil

Our family extends our deepest condolences to the entire Waxman family. Al was among our closest friends and will be dearly missed. He was a pleasure to work with and always had something meaningful to offer, which usually was himself. Al was a tough man, but a kind man. He had a heart of gold and he always had the right words to say when you really needed them. He was honest, generous and the most loyal friend a person could ever have. He was always in good spirits and had a wonderful sense of humor. His spirit will continue to live in our hearts and will be remembered as an admired giant among men. May God bless Lillian and the Waxman family. Love, The Steinberg family

Thank you for such a beautiful tribute to my Father. Your words bring comfort at this difficult time. My Dad so often talked about your father with great fondness. He loved your whole family very much. I also remember meeting your Dad many many years ago. Your words are beautiful and I so appreciate this tribute
