Toni, Amarnek was one of the best women I have ever known in my life. She was not only beautiful on the outside, but also in the inside in every way. She was warm, friendly, sensitive, funny, a great actress, a great singer and entertainer. She also was very determined and taught little children into her eighties. She was always young at heart and always had a joke to share on the tip of her tongue. She was also a good friend and would always be there for you if you needed her. She was great at decorating and she always was dressed in the height of style. I will greatly miss her and loved her as much as you can love anyone. She was a second mother to me and after the death of my husband she was still the same to me. I will love her forever. Mary Amarnek Newell
