Carole & Raymond Petrino lit a candle in honor of Joyce.

My wife Carole and I have known Joyce and Her mom when we all lived in Miami and stayed in contact with Joyce many years after we move to port saint. Lucie , when I used to bring my taxes piled in a box She would lovingly shake her head and laugh and I would stay talking with Her and she would tell me how to organize my mess for next year, thank God Joyce and Carole hit it off real good and they would work together in the years to follow, I loved the time's that I spent talking with Joyce , there was something very warm and special about Her, She was named right because She was a real Joy to be around, Carole and I will miss Her but are blessed having known Her, Carole and Raymond Petrino

Deb posted:

We have known Joyce for over 30 years, we first met her when we used her lovely mother, Mrs Fishkin, to do our accounting business. Gradually as Joyce took over for her mother we formed not only a business relationship with Joyce but a personal relationship. We will miss her so, even after we moved to Central Florida we continued not only our friendship but we still used Joyce long distance for our accounting needs, that is how much we enjoyed her and trusted her. We will miss you Joyce Deb and Jim
