To Ray and Elinor ( who I never had the pleasure to meet.) I was just looking for an Accountant and Stephanie came to mind.I worked with Stephanie in Dr. Wilensky's office o) met her one day (it seemed not long ago and she gave me her business card. She was one of the nicest people I ever met. As someone else said she was soft spoken but was always accurate in her work and treated everyone in such a professional manner. She was especially kind and generous to me when I had my Bat Mitzvah at the age of 40. She collected for my gift (a gold star). I have only fond memories of Stephanie. May her Neshama live and be a blessing for the entire world.Joan Rudd (Cutler-Gothelf)

Stephanie,My heart smiles when I reflect on the undying love and friendship you shared with my family. My mother is so lucky to have had you as a friend for many, many years. You watched me grow up and I got to watch you create a beautiful family with Ray and Elinor. I am so grateful that we were able to share some of the biggest days of our lives together. It was such a gift to have you at my wedding and getting to see you laugh, dance, and truly enjoy yourself. I will always cherish those memories deep in my heart. Rest in paradise, my friend. I love you."We begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget."Ray and Elinor - I pray that you will, in time, find peace and comfort knowing that Stephanie still walks beside you everyday. She will be there to share your moments of celebration and happiness and to soften your moments of sadness. You two now have one amazing guardian angel. May she live eternally in your hearts and memories."Because someone we love is in heaven, there's a little bit of heaven in our home."Forever your flower girl,Heather Lambert-McClellan

Dear Ray and Elinor:I'm remembering Stephanie on this Mother's Day because I know it was one of her most special days. I know that being Elinor's mother was among her greatest joys in life. The three of you made a perfect family. I have so many fond memories of Stephanie when we were co-workers. I think she was one of the smartest people I've ever met. She had a very good sense of humor, too. Every time I think of Stephanie, her bright smile comes to mind and also her soothing voice. I'll never forget our trip to Maine, a vacation that has remained as one of the highlights of my life. I don't think I'll ever meet another person as gentle, kind and easy-going as Stephanie. I will miss her dearly! She's with the Lord now and she's reunited with her beloved mother.Your friend always,Anita Spence

Stephanie-We have been through so much life together. Starting as just co workers and quickly becoming true friends, we have celebrated weddings, babies, graduations, and numerous personal accomplishments, and have mourned the people we loved that passed. Never in a million years would I think I would have to miss you. I still can't believe it. Every time I see a picture or think of you I have to remind myself. I am still so thankful that you and your family came up to NC for Heather's wedding. It is so bittersweet to remember you dancing and celebrating with us. Thank you for being a big part of our life. You are in my heart and memories forever.Love you Steph.

My mom was and always will be beautiful inside and out. I remember on the day that she got diagnosed with cancer, that she told me that no matter what happened, everything would be alright. She will forever be in our hearts. I LOVE YOU MAMI.
