I'm going to miss you Brenda, we had such fun years ago when our babies were little.... One of my favorite memories was when your sonogram appt. was right before mine, you and Scott came out with the biggest smiles and said "Boy, call me asap when you find out" and I called you first from a payphone in the hallway and told you I was having a boy too!! I still love the picture of Michael Fernandes, Cory and my Anthony together as tiny infants propping each other up on the couch!!! The NKOTB concert you, me and Louanne took the girls to.....!!! We weren't always in touch through the years, but always friends, just meeting at the park in passing when my kids had soccer practice and you and Scott were out rollerblading or at random parties!!! We touched base again with all your sweet comments of my new grandson and you couldn't wait for grandbabies of your own, I was as excited for you as you were for me!!!! I'm still excited for your growing family because they will always keep you alive in spirit and your love of life, your fight for everything you believed in!!! Your family will live through your passion and love forever!!!
