My dearest friend-sister always there to lend a helping ear or hand if I needed her. Her children and grandchildren were her life. So sorry for your incredible loss, your beautiful loving Mother. She will be with us all for eternity dancing her way to the stars for that is where she will be shining. So glad you all have such wonderful memories of such an amazing woman. She loved to cook Brisket, potatoes and veggies for her family. She had such a great smile and a twinkle in her eyes. She never gave up even when the road was so painful, she just let go. My hero!

Ellen was the sweetest mother of my dear friend, and that made her dear to me. Loving, kind, she really knew how to make you feel special. I will miss her so much, and know in heaven she has finally found peace. Laughing with God!
