My condolences to the family & friends of my mentor. When I was the administrative assistant to Dr. Oliet at Nova, he took me under his wing and encouraged me to pursue dentistry. I was on my way to becoming a pharmacist when he pointed out that my background in art & toothpaste research made me better suited for dentistry. Thanks to him, I am practicing what I love. He was a joy & inspiration during a very challenging time in my life. His kindness & generosity was constant. I will never forget him. With deep sympathy, Tessa Scott
