Dear Ileana, My heart is with you and with the kids. I have heard the terrible news two days ago and since then I cannot stop thinking of Eran, my good friend since we were five years old. I am shocked and sad and sorry I can't find any comforting words to say. Though we were geographically far from each other, Eran was a close friend. Now that he is gone (I already miss him), I understand how meaningful this friendship was for me. Unfortunately, I was the bearer of these sad news to all of Eran's childhood friends and I want you to know that he had lots of them. People you've probably never met, but these are people that Eran meant a lot for them and I need you to know that he will be in our hearts forever. Yaron Blumenthal

To the Berensteins and Abbos: we are shocked and thinking of you at this difficult time. I have been Eran's friend for more than 30 years and so many great memories come up in my mind as I think about Eran. In the last two days, I have received dozens of calls from the old gang from high school all of them expressing their love for Eran and deep sadness. Our deepest condolences. Gil Hermon

Ileana, There are no words that can express my sympathy and sadness to hear this horrible news. Eran was not only a Client, and I was not only a patient, Eran was a true friend. The world is a little sadder today, but is a better place for the short time he was here and the lives he touched. You and your family are in our prayer at this hard time. We love you,
