Almost 7 Years now since my brother Michael left this earth for Heaven. Michael, I miss you so very, very much. You were my rock. You taught me so much by the way you lived ... Honor, unconditional love, patriotism, humor (massive humor!), and how you so very much loved Cheryl, your girls, and your grandchildren. I still cry thinking about losing you so very young but I'm ever grateful to God for picking me to be your sister. What an honor it is to be the only person on earth you called "Sis"! I love you Michael now and forever. Please hug Mom and Dad in heaven, tell them I miss and love them and save me a seat in the front row as you entertain the Angels :) Your Forever Proud of You Sister, Carla

It's now been 2 years since my very precious brother left this life for eternity in heaven. It is still so painful and I still can't believe he's really gone. Michael, I miss you so terribly much that words are not enough. As I write this today tears are streaming down my cheeks. Thank you again for all you were for me my whole life, thank you for your unconditional love, and thank you for teaching me so much. Please Michael, Please God, if there is a way to be with you again in my dreams tonight ... it would really help. While I am still on this earth I will do my best to keep you alive in the hearts of all who knew you and I will be there for your family for you. You're a treasure in heaven and you get to be with our Mom and Dad. Someday we'll all be together again and that day will be joyous for me. My Love for you FOREVER, Sis

Dear Family & Friends of Mike, Mike's friendship, zany sense of humor, patriotism, spirituality, kindness, work ethic, and love of family will always resound in our many memories of him. He was such a trooper despite the adversity of his surgery a few years ago and even with the return of his aggressive illness...Mike will always be a winner that was taken way too soon. We shall strive to fill his loss with memories of his own antics and jokes...Mike would want all of us to smile and carry on...Thank-you Mike for enriching our lives...we are blessed! Cheryl and Family, Mike was a special man. He always made me laugh :) We had many conversations about many topics but I will always remember how he talked about his family. Cheryl, I always looked forward to your cookies at Christmas. He was so proud of them and the effort you put into them. And, that grandson he just lit up when he shared his grandpa stories..... I pray that you find peace in knowing that he loved you all very much. You are in my thoughts and prayers, Mrs. Teri Poole (the Schering nurse) Philippians 4:7

To the family and friends of Mike Zuclich, My name is Leslie Hess and I met Mike working for Amcor Flexibles (Medical and Pharma packaging). We worked together for 10 years plus. Our working relationship turned into a deep friendship and a mutual respect. His passing is a deep loss for me. He will always be my green "Froggie" and I, the crazy chicken. Add to that his co-worker, Maria, the darling "Duck". We were a silly threesome and we entertained ourselves as such. It made a tough working day seem a little light-hearted. I will always remember Mike... Death leaves a heartache that takes time to heal but love and caring leaves memories no one can steal. My Condolences to Mike's family and friends
