Hello Roberta. I have shared with Randy the memories I have of "Mrs. Faerber" my JHS Math teacher in 1959-61. In short, it was by her kindness and guidance that encouraged me to pursue Mathematics at NYU and graduate school.... and eventually become a successful Chemical Engineer. Also, if it were not for her, I would have not met my wife of 46 years. May you both keep mom's memory eternally in your hearts and minds. Hugs from the Big Guy Lou Georgiades

My condolences to the Faerber family. I graduated from Jamaica High School in 1958 and was very fortunate to have Mrs. Faerber as a math teacher. She was a wonderful teacher and a wonderful person. It was 60 years ago, but I still clearly remember several occasions on my way to the bus stop on my way to school, while walking on 69th Ave, Mrs Faerber stopped, picked me up and drove me to school. She was very kind and thoughtful. Irwin Marvald
