Robert William Capel IV

JUL 24, 2008 - OCT 25, 2015

Robert William Capel IV "Robbie" died on October 25, 2015 in his mother's arms. He was seven years old. Diagnosed at age five with a rare form of sarcoma, he bravely persevered through his many treatments. However medicine and surgery could only do so much. He was a bright light that burned out too soon. He was a sweet and smart boy. Pure love in his heart. He was able to charm everyone he met with his smile and his wit. Among his favorite were Spongebob, Star Wars, Legos, Minions, Dr. Who, Spider-man, Batman and even My Little Pony. He was good at memorizing jokes and making people laugh. He had lots of soft cuddly friends, but his favorite stuffed animal was a puppy he named Wookiee-Appa. He enjoyed a good prank. An early reader who liked to rhyme. Some of his favorites were Harry Potter, all comic books, Llama llama series, Miss Spider's Fancy Car and Skippy Jon Jones Adventures. Always curious about science, he was a math whiz who loved his electronics. He helped his grandpa build his first computer at age five. His favorite game was Minecraft. His favorite color was Red and any shade of it, even pink and orange were okay with him. He wanted to grow up to be a firefighter and help save lives. The first lives he saved were ours.

He will be loved eternally in any dimension he travels to. In his final journey he was greeted in heaven by his Maternal Grandfather, Federico Polanco, His Maternal Great Grandparents, Federico and Maria Christina Polanco, His Paternal Great Grandparents, Robert and Dorothy Capel, his great uncle Johnny Capel.

The family remaining on earth that will continue honoring his life are his Parents, Robert and Patricia, his younger brother, Austin. Maternal Grandparents, Todor Parvanov and Patricia Damas. Paternal Grandparents, Robert Capel and Virginia Capel. His aunt and uncle Silvana and Luis Silvestri, their twin daughters, Andrea and Natalia. Not named, but equally meaningful is his extended family around the world that continues to love him and the hundreds of friends that were lucky to know him.

Robbie, my inspirational little friend. You were like another grandson to me. You are gone but will never be forgotten. You taught me many lessons along your short time here with us at One Beat. You were strong, caring, smart, courageous, a true fighter till the end. I was always surprise to see you with all that energy after chemo. You made Sean love you and call you his best friend in a short period of time. He will truly miss you. He prayed for you every night and at dinner time. I know God chose you as one of his Angels.....that is what he does you know. Your light is shining very bright now up in heaven. You probably will be like Rudolph with your light so bright leading they way of all the angels. I bet you are already doing your pranks and playing all the instruments. Until we see each other again. Love you little guy.

We can never begin to understand the magnitude of your suffering but we realize how much you will miss him and know that for awhile, it will seem impossible to go on.
