I met Don thru Barbara. We've been friends for over 30 yrs. I was fortunate enough to get to meet and spend time and memories with Don. He was a handsome and kind gentleman! He made Barbara very happy ! They lived a rich full life together and unfortunately that was cut way too short WAY too soon! I was lucky enough to have seen Don within the last year and he was as handsome as ever! He is with God now but forever in our hearts and prayers! Prayers for Barbara also! ❤️❤️

Don was just A very kind and speaceful soul. He was a true gentleman. He was always quick to smile and enjoyed being with everyone. I'm so grateful that he was in our life

Barbara is a devoted Wife and Mother. One of the best that I have known. Even though i did not know or meet Don personally. I know that he was a wonderful person through the memories that Barbara has shared with me of their times together.Camille

Oh my God....I was watching a Do Wop concert on TV, and my mind wondered to my early years in Grosse Pointe Woods, Mi. I had a most wonderful childhood....and much of that was spent with Donnie....my best friend growing up there. We were inseparable...playing endlessly in the woods behind our homes. That concert left me to look Don up on Google...and I must admit I wept openly, not in sadness but with a smile through my tears...for all the great times we had growing up together in the 1950s. How lucky we were. My sympathies.... sincerely. Pete Palombit carolpetepal@msn.com
