To the Gurwitch Children and Grandchildren. I was a business contact of Harry's and worked with him several years ago. I would travel to Miami and we would go to lunch and enjoy a cigar (which he brought from his own humidor) we very much enjoyed each others company. I Googled his name as I hadn't spoke to him in while and found his obit and I saw that Shirley had passed as well, and just wanted to let the family know that I was sorry for your loss.
