What a loss for so many. I haven't seen Irwin since one time since his initial diagnosis and before that in over 20 years though I will never forget him. Irwin gave me a chance and taught me so much more than trading. He taught me how to be thick skinned and to always work hard for what you want. He was a mentor and friend and he was just as tough on the exterior as he was soft and loving on the inside. He had a passion for screaming- and his work. He was quick witted and loved tennis, pretty girls, gossip, a good story and most of all his family. He will be truly missed but never forgotten. Tara Udelson
