**The Holocaust Museum & Education Center** posted:

Our condolences to the Nortman Family on the passing of Rose. She was an amazing woman and an inspiration to us all. We are so thankful she shared her experiences with us so that future generations will never forget what happened during the Holocaust and will act to prevent it from happening again. As Rose said "I share my story so that young people have the courage to stand up to hatred.". We will remember you always. Love from your Holocaust Museum & Education Center of Southwest Florida family.
