Jean...you adopted s when our Mother and Father passed away and we adopted you We had many conversations, and you were so patient with Ken...he only wanted your advise even before his doctors..you were Dr Jean to him...And Hennessy loved You you, and loved giving kisses to you...I think of you everyday. and we will light a candle for a week not just overnight...on holidays, and the day you passed on. All your children were very lucky to have you for a Mother...We love you, we will always remember you...The holidays will not seem the same without you. If there is an after life..we know you are with Sam ( the love of your life also ) give our brother Allan a hug and kiss for us ...Your were a very special lady...Marsha Rosengerg, all of the Rosenberg's and Horowitz's/// we will visit you. when I come to visit Ken's grave...hard to believe...We love you You were always there for us and for Mom and Dad....

Twice blessed- first as my Mom & 2nd as my friend. I'll miss our many "talks". Our last moments were peaceful, you knew it was "time". That's a memory I'll carry in my heart. ❤️🦋

I miss your Mom terribly, she was always there for Ken and I...and even Hennessy she loves when Hennessy gave her kisses....We went to her for advice, and I just can not adjust to her not being there. You had a wonderful Mother, and we had a wonderful friend. I have lit the yerchiet candle for this past week...instead of 24 hours, it was the same time as my brother Allan's. I loved her, and miss her. You were all very lucky to have her with you as long as you did...If you find our recipe book, I would like to have it. She is in my thoughts every day....Stay in touch...after all we were all like family. Ken loved her also, hope they all saw each other, Mom Dad and Allan....Janice has also been so sad this past week, and Estelle...When you come down again...let's try and get together...

To the loving wonderful family of Jean, Your mother was a wonderful friend, teacher, and loving person to me and my brother growing up. She treated us like her own and fed us too. I will always cherish her teaching my mother and I how to make potato pancakes and how to eat them with apple sauce and sour cream. I have passed it to my girls and each time they make them or eat them they remember that I was taught by her. She also was the one that taught my brother (Elden Jr) how to walk at 9 months. I know she was so proud of him. Not sure that my mom was thrilled because he never stopped running all his time at home. She will always be remembered as such a loving and giving person. She has the patients of Job and was so proud of her children and grandchildren. Our thoughts and prayers are with you. LOVE, CHRISTY Harner (Beck)

When so many members of my family decided not to attend my son's wedding, cousin Jeannie was the one who danced on that night with my father. I will always remember her for this. It was so like her to make the special effort to be with us and share in the joy of Ariel's marriage to Miri. Thank you again, Jeannie.
