I credit Dr. Feinerman with changing my life for the better. He was the kindest doctor I've ever known, always searching for ways to help his patients. He will be sadly missed. Words cannot express my sadness that he is gone. My heartfelt condolences to Tomoko and his family.

So saddened to hear of Dr. Feinerman's passing. He will be missed by so many. Thoughts & prayers to his family. He was a blessing to my family. Never gave up searching for the cause of my son's medical problems. My son may not have survived if not for Dr. Burt. At the very least my son's quality of life is so much more than we believed he could have. Grateful for this special man.
