I will always remember David, I live in Oklahoma City, where he once lived and worked for NOAAFAA National Weather Service), David, John and Kim were like younger brothers to me, and treated me so nice. I lost touch with them through the years, but never forgot their friendship and kindness. I found this info on his death while looking for an address to get in touch with them again. I am sadden by Davids death. But, I know GOD loves him best. Rest in Peace my Friend, until we meet again. Janice LaDay, Oklahoma City, OK

After my discharge from the Army (Vietnam) David was 15 years old and wanted to learn how to drive. I told him that I would teach him. I had just purchased a 1964 1/2 pickup truck. So, he jumped in and I drove to the Mesa. Which was a deserted area. I drove off the road, and had David take the wheel. I instructed him to get his seat belt on tight - shift into drive- step on the gas, no stopping or we may get stuck. The truck jumped around almost at times out of control. We drove for about 15-20 minuets, when we found a dirt road. Once on the dirt road he found his confidence in driving. We drove for another 15-20 minuets, then turned around. As we headed home he stopped and started a few times. When we reached the paved road, he wanted to stop. He drove home about a mile away..When we walked into moms house, he was so proud of his accomplishment or maybe because he was still alive. Big Brother

I am so fortunate to have known David. I enjoyed our phone conversations and being in your company. Some fond memories were the tour of the NWC, you being part of Matt's Bar Mitzvah. I loved your retirement hat. Thoughts and prayers are with you and your family. XO Sandy
