I remember a trip to Florida and staying with you grandparents in North Bay Village. I was putting in my contacts and one dropped on the kitchen floor. Ervety time I saw your dad after that he always asked if I ever found that lens. We never did. Still can't imagine where it went. He took me to my first football games both in NY and Miami and I became a Dolphin fan. But best of all, I remember him taking us to ice up pizza at Tortonis in Coney Island. Thank you Bruce for those wonderful memories.
