I only recently met Deb, but I loved her already. After her surgery, she couldn't remember many things and she would ask me SO many questions! Her eyes just shined with intelligence and interest, and I'm so happy to say she was my friend. I'll see you again, Deb!

I have not seen Debbie in many years but we did work at Plantation General Hospital together. We moved away in 1996. She was a good friend and a dedicated and hard working mom who worked multiple jobs to support her sons, both of whom she was extremely proud of. May she rest in peace. She will be missed by all of her friends and family.

Condolences to Debbie's family. I was in the North Miami Beach Charger marching band with Debbie. She would sometimes come over to my house. We'd chat and listen to music. I'll always remember Debbie as a kind gal with a great sense of humor.

I loved to hear you laugh and talk to me about Brian and David. You were a sweet loving friend, that I cared a lot about. I know your friends and family are heart broken, but have a seat beside the good Lord and they will all see you again.
