Norm was always someone you looked forward to seeing before and after work. He had a happy go lucky positive attitude towards work and life! It made my day to spend time with Him after a hard day at UPS to have a drink and share stories and complaints about our customers or bad drivers out in the real world. No matter how our days went we always found a reason to laugh hard and enjoy each others company! He was a great father and family was first priority to all He did. He was truly one of the best people I was blessed to have in my life and He is missed sorely. R.I.P. my friend....Wayne Meeks
