To Larry and Family I just heard about Valerie and my heart is broken. I met you both in 1990 and became your car guy ever since. Larry you know how much I cared for the both of you/ We have built a nice friendship over the years. What a GREAT couple . I am so saddened about Valeries passing. When I spoke to you and Val about 6 weeks ago something told me to call the house. I told Valerie on the phone that night get well Larry needs you and you can only imagine with her wit her response. What a class act and a fine lady. Larry be strong your family needs you. With a broken heart and much love Marc Collins
