Dear Jay, The memories I have of your Dad are many, he was a very special person to me and those around him. His funny sense of humor always made me smile, I loved the way he loved to cook, and he was so good at his work in the office. He loved you so much and will be missed by everyone. Know that my heart is hurting for ALL of you at this time. I love you lots and miss you more. Karen and Bruce

As an Orthodontic assistant for Drs. Meister and Meister, I worked with and knew Dr. Schwartz for many years until I got married and moved to Orlando. I lost track of him for these many years since, until Dr. Dan Meister called me today to tell me of his passing. I was deeply saddened by that news. Dr. Schwartz was one of a kind. He was warm, wonderful, talented, funny and dynamic. He worked, played, loved, befriended with equal finesse. He lit up any room that he was in. All people felt welcome in his presence. Patients and employees alike, all loved him, including me. I believe that God has provided the most wonderful place for him now. And heaven will have to be an incredible place to contain him. God bless you Dr. Schwartz and thank you for all of my days that were made brighter because you were in them. And God bless all of Dr. Schwartz's family members, especially Jay. whom I had the pleasure of babysitting when she was only a few weeks old. Your Dad will always be with you and all of his family whom he loved so much. Mrs. Susan (Hannifin) Certo
