Thank you for being the « wind beneath my wings » during my weakest days! Thank you for trusting me in pushing you even when you got tired! Thank you for the talks even in silence at times! Thank you for the lessons you taught even when you said « there is nothing more » & there was plenty! Thank you for having left me your son as my Godchild! Thank you for EVERYTHING your heart gave without knowing! You were the EPITOME of SELFLESSNESS! You were a strict teacher, Jean Baton, out of LOVE! I am FOREVER grateful that the Lord gave me the chance to show you how much I love you & respect you! See you soon enough Pacheco! Meanwhile, dance free of pain with your Combo Show! The Lord has called you because the job he trusted you with is complete with a PHENOMENAL seal of approval! But as always, keep an eye on us & straighten us when needed! Fly my butterfly among the orchids!
