Each year when 9/11 rolls around, I am reminded of Brian and Kent's amazing work with the Cantor Fitzgerald Families. What a lasting legacy they have left. This year, I visited Kent's Wikipedia Page and was saddened to see that Brian has also left us. What a wonderful soul. I'm honored to have met him and Kent.

I only just discovered the news of Brian's passing- he was my college boyfriend! A constant source of love, support and friendship during some crazy times. We shared lots of laughter and lots of late-night ice-cream after long rehearsals! A beautiful soul, a shining light, and one amazing dancer. I have nothing but wonderful memories of him and my heart goes out to his family and friends. Brian lived life like we all should- in the moment and with an upbeat attitude! Though I lost touch with him over the years, I believe we cross paths with people for a reason in this life- I am blessed to have known him. Rest in peace, Sweet Bri. Rat-a-tat-tat... Natalie
