Marc H. Weiss October 5, 1946 – April 4, 2020

The world lost an extraordinary man on April 4, 2020. Marc Weiss passed away peacefully in Hollywood, Florida with family by his side. He was a beloved husband, father, grandfather, brother and friend.

Marc was born and raised in Rochester, NY before moving on to Boston, MA for school. He later settled back in Rochester, NY where he would meet Dorothy, and they would begin their family together, with the birth of their daughter Melissa.

Marc began his Professional career in 1970 as an agent for Connecticut Mutual Life in Rochester, NY. In 1974, he and his family moved to Hartford, CT where Marc was a member of the Home Office Staff responsible for the development and marketing of all disability products. While in Harford, Marc and Dotti had their second wonderful daughter Carrie. In 1979 the entire Weiss clan made one final move to South Florida, where later he would begin his legacy at Associated Financial Consultants, Inc.

Marc was proud to have been a past president of Temple Beth Emet. He helped the Temple grow and become a welcoming place for the Jewish community. For close to 38 years, he continued his support and guidance. He considered Temple Beth Emet to be his second home.

Marc's heart radiated love, kindness and generosity. It captivated everyone who had the pleasure of being in its path. He was a loving and devoted husband to Dotti. He was a loving and protective father to Melissa (Jeff) Zuckerman, and Carrie (Robert) Horowitz. He was a generous, nurturing and loving grandfather to Rebekah, Benjamin, Hayley and Jenna.

Obituary

Marc H. Weiss

OCT 5, 1946 - APR 4, 2020

His love extended to his baby sister Marilyn (and her husband Daniel) Long, and his brothers in law Howard and Fred (Danette) Weingarten. He loved his many nieces and nephews, Samantha and Ben Olson, DJ and Laurel Long, Tracy and Jeremy Meltzer, Eric and Wendy Weingarten, and Elspeth Weingarten, along with many great-nieces and nephews. He cherished his many friends.

Marc's biggest love in the world though, has been his beloved Dotti. The two loved to travel together throughout the world. They delighted in their wonderful experiences with their kids and grandkids. He loved to be active in the lives of his grandchildren as much as he could. Dance recitals, baseball games, volleyball matches and soccer games. Marc would be there cheering them on.

A diehard hockey fan for centuries, you could always find Marc hanging around the BB&T Center cheering on his Florida Panthers Hockey Team.

Marc lived life with love and passion. He was a fierce advocate for his clients and a rock for his family. His presence, laughter and love will be greatly missed by those who knew and love him.

MARC AND I WERE HIGH SCHOOL FRIENDS IN ROCHESTER NY. WE SHARED A PASSION FOR THE ROCHESTER AMERICANS HOCKEY TEAM AND ATTENDED MANY GAMES TOGETHER. MARC WAS SO INTO THE TEAM THAT HE SOMEHOW MANAGED TO CONVINCED THE PLAY BY PLAY RADIO ANNOUNCER BILL GIVENS TO LET HIM DO A LOT OF THE COLOR COMMENTARY OVER THE AIR AND HE DID A GOOD JOB OF IT. WE HAD MANY GOOD TIMES FOLLOWING THE TEAM. ONE INCIDENT THAT STANDS OUT WAS WHEN A VISITING TEAM'S GOLDTENDER NAMED ROGER CROZIER WAS STOPPING EVERYTHING THE AMERKS SHOT AT HIM. THERE WAS A LULL IN THE GAME THINGS WERE QUIET AND MARC WITH HIS LOUD BOOMING VOICE YELLED OUT FROM THE CROWD. "PHONE CALL FOR ROGER CROZIER" AND THE PLACE BROKE UP EVEN ROGER CROZIER LOST A BIT OF HIS CONCENTRATION. I WILL NEVER FORGET THIS AND I WILL NEVER FORGET MARC. NED WEBSTER

It was back in 2006 that as fate would have it my wife and I were seated at the same table on a Celebrity cruise ship with Marc and Dotti that a lifetime friendship began. We would take many, many more cruise adventures together and still make a point to get together on land whenever we were in the same neck of the woods. It didn't take the coincidence that my kids moved to Brighton, a few streets away from where Marc and Dotti lived when they were newlyweds for us to think of them; Marc and I exchanged articles and commentary and photos and jokes on-line nearly every single day for more years than I can remember. I wish that he could have added all the laughs we shared and the number of drinks we downed together to the years of his life, for then, like Moshe Rabeinu, he would have lived to 120. Knowing Marc as we did was more than just a joy and a privilege — it was a blessing.

I was saddened to learn of Marc's passing. He and I had been business associates and friends for many years, though not for the most recent few. Marc was straight-forward and honest in his business dealings and tough but fair with the insurance companies he worked with. His sole focus was on his client. Marc and I had an ongoing bet on the outcome of the FSU v UF football game every year--the loser had to host the winner and spouse for dinner. Judy and I enjoyed several wonderful dinners with Marc and Dotti. God's peace to the entire family at this time. - David and Judy Stoots

To the Family. My memories of Marc was both from the Insurance Industry and the Hockey Rinks. Working together with Marc writing many types of Insurance plans over our many years which created many days of Great Memories. Besides the business part, our conversations included education, Laughter and Joy. It was also the best part Our Hockey interaction between the games periods both down in Miami and Sunrise. His Family was his greatest joy and he shared many of the enjoyable events in his life and his Grandchildren with me. I will miss this man some knew as Marc, but I will truly miss the man I called my Friend! May God Grant the family Guidance, Peace and Love at this most difficult time. Peace be with you Marc! 🙏🙏

Marc took care of our health insurance needs for many, many years. He was brilliant and always was the calm in the storm. There was not a single phone call that did not bring laughter to my day. Our staff would enjoy our open enrollment meeting because of his warmth and humor. He was always so knowledgeable and reassuring to all of us. We will miss him dearly and send our thoughts and prayers to his family during this difficult time. Sandra Tardugno, Orthopedic Specialists of South Florida - Drs. I remember the day I first met Marc. I in the backyard of his cousin Joel's house in Rochester. It was a beautiful warm day and Marc had come over to meet the girl Joel was dating. Marc had a wonderful warm smile and seemed genuinely happy to meet me. I thought to myself how lucky was I to be part of such a warm family. Marc's embracing personality and great humor stayed with him his entire life. Marc will be sorely missed. Elinor Weiss
