To my dear friend's family, may you all find comfort in the many beautiful memories that remain forever. Carol and I were more like sisters than friends, sharing life's events together, both joyful and sad, always there for each other. We worked together for more than 40 years and still managed to be best friends. I will miss our daily phone calls, our bickering, our laughing, and our shared pride in our families. It is rare to have such a friend. I was blessed to have Carol in my life and will deeply miss her presence, I hope all those who loved and cared for her find peace and joy in the memories that remain. My love and prayers to you all, Gloria S.
