Diane was my very first boss at Nessa Gaulois in Bal Harbour Shops when I was 18 years old. She was my first Interview ever!! She made me feel so special. And I worked there and she encouraged me to go to film school since that was my first love. She allowed me to go to college and also interned for a television station while I was working with her. 27 years later I still work for that same TV station. I am forever grateful for this angel of a woman. May she rest in peace. Love you Diane!!
