A full life with a century of influence is a blessing to be highly regarded by all. Although I'd never had the pleasure of meeting her, knowing several of her children and grandchildren gives an idea of the rich legacy of this child of God and mother to many. May her dear departed soul Rest In Peace. 🙏

Mama was such an integral part of my life from the day we met, and even though the miles divided us and we weren't in touch, fond memories of her always linger and were held very dear. She has lived more than a full life and has touched so many, many lives in her humble way. Indeed, she has left footprints on the sands of time for others to follow. May you all take comfort in knowing that she's sleeping in Jesus' blessed sleep, awaiting the resurrection, which is not far away. She may be gone from our sight but never from our hearts. Sadly missed. SIJBS.

May God in His wisdom bless her spirit as she journeys home to rest. I have had great memories of this special lady. Farewell and goodbye. Your life was a blessing for all,
