He was the kindest most generous person who would give you the shirt off his back. Five years ago when I was unsure of moving into his & my sister's home with my mother he cemented the decision by stating I made the right decision and even suggested twin beds for us. He will be sorely missed.

Susie I'm so sorry you lost Gene. I have seen most of his sons. I can see Gene in each and everyone of them. He definitely left his mark in this world.. We were best buddies as children. Gene and Barbara stayed at my house each day. After school His aunt Eva and Uncle Ed Heil. We used to pile up in a double bed and play Monopoly. He liked th o go down to corner and get a creme soda Mom would make popcorn and we watched wrestling. So many fun times. He joined Army and was gone on to a new. LifeMemories last forever..
