I just learned of Peshe Dennis' passing. I would have breakfast with her every few months but lost touch during my husband's illness. I often think of her. So sorry for your loss. She was an amazing woman.

Just learned of the passing of Pauline (Peshe) Dennis. She was an amazing human being. We often spoke via phone every now and then. I happened to be browsing at the obituary and this was the shock I found. I was employed there for 10 years, so proud to have served under her leadership. I had the opportunity to meet all 13 children. I was the Afternoon shift supervisor. She will be sorely missed.
