My condolences to the family. Judy and I originally met when working together at the old Hialeah Courthouse. Our paths crossed many times as we later worked together in the newly reopened Hialeah and South Dade court. She always shared pictures of her family, niece and nephew, shared some great novels written by her husband and took me and my children to our first Knausberry Farm visit. We always picked up where we left off, no matter how long it had been. I attended her retirement party in South Dade and was so happy to know that she would finally enjoy her time with Mr. Castro and not have to commute from so far, although she never complained. I've cherished her friendship always and will forever remember her as a wonderful and loyal friend.
