Helene S. Rubio

AUG 5, 1956 - SEP 2, 2021

In Loving memory of Helene Sue Rubio
Sunrise-8/5/1956-Sunset 9/2/2021

Beloved Helene was an amazing mother, sister, aunt, daughter, cousin, and grandmother. She loved her grandkids Nick and Alex. She was a nurturing CNA who loved her patients. She lived with good times with her family. She unfortunately was very ill over the last 2 months. Jennifer, her daughter, always asked her to keep fighting and she did up until her sunset.

Please remember Helene for the great moments you shared with her.

Please keep her family in your prayers and thoughts.

The family suggests donations in Helene's memory be made to:

American Lung Association <https://www.lung.org/>

or

Humane Society of Broward County <https://humanebroward.com/>

We will always remember your sweet demeanor, your sensitive heart and your care for all of us. There are so many wonderful memories we have with you and Sheldon over the last several years and how much joy you brought to him. We will miss you and our hearts and prayers are with all your loved ones. One sweet memory is of you and Matthew at Justin's wedding. You lovingly offered to hem his pants and he was soooo grateful! Harley was always so happy when you came over and played tug-o-war with him. God Speed Helene, we love and miss you. Jude, Christine, Matt, Stevi, Justin and Becky

Sheldon Frazin posted:

I met Helene through an old wonderful family friend, Olga Ramos almost 9 years ago. Immediately I could tell her Mother, Sister, Son, Daughter, and Grandchildren were the center of her universe. Her son Joseph (Joe) who passed away on Valentines day 2009 was always in her thoughts and prayers. He weighed heavily on her mind.It was her loving nature that drew me to her. When you met Helene you immediately loved her because you could sense that she was a special person, someone that was loving, caring, kind and thoughtful.Her adopted family (Frazin's & Hodges), and friends were near and dear to her big heart, as well as, her birds (Lolita and Sunshine/ Boo Boo) and her dog Rambo (deceased).Helene's untimely passing has left all of us in shock and disbelief. God has taken Helene home, where she is young again, and healthy in body and spirit. She is no longer experiencing any pain, she is home and is reunited with her son.I miss you! 🍷"God will wipe away every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away." The LORD is close to the brokenhearted and saves those who are crushed in spirit. He heals the brokenhearted and binds up their wounds.🦋Love AlwaysSheldon
