Michael John Schab

JUL 4, 1955 - SEP 4, 2021

Michael John Schab, resident of Aventura, Florida, passed away on September 4th in his sleep. Born in Whittier, California, Mike was the oldest of five children. He attended Alta Loma High School in Alta Loma, California, and graduated with a Bachelor of Science in Finance from California State Polytechnic University, Pomona, in 1977. Mike retired after many years as a professional in the financial sector.

Mike was loved by everyone with whom he came in contact and was a generous, caring, and deeply loyal friend to many. He is survived by his beloved wife Bonnie Schab, his father, Ira John Schab, Jr. (101 years of age), and his four siblings, Karl Schab, Michele Schab Ware, Christine Schab, and Kimberlee Heinrichs.

The family will hold a memorial in the future to celebrate Mike's life. Please contact Karl Schab on Instagram and Facebook to be included in memorial planning.

Arrangements by Levitt Weinstein Blasberg Rubin Zilbert (305) 932-2700.

I am a colleague of Michele Ware's, and like Mike and Michele, I am from California. I, too, am Jewish, and I send deep condolences to Bonnie as she grieves the loss of her husband, Mike Schab. I never met Mike, but I know how deeply Michele loved her twin brother and how dear he was to her. I also know how shocking and sudden his death was. I hope the Jewish grief and mourning rituals comfort Bonnie, even though Mike was not Jewish. Everyone grieves differently, and the rituals of Jewish loss of loved ones can be healing. I have been transformed by the power of various rituals for relatives and loved ones who have died in my family. I hope that despite the shock of Mike's death, that Bonnie can slowly heal from this devastating loss. Take your time, and know that there is no set timeline. Respect your process of anger, depression, and acceptance,

Mike Schab - what can I say? A wild storyteller, a great fan of rock and roll music and particularly The Who, a deeply caring and loyal friend, a great coworker to a whole company full of his brothers and sisters and someone who would literally give you the shirt of his back. He was one of a kind and kept us entertained like few others. He was taken way too soon, god bless you and Rest In Peace Mike

I wish to extend my heartfelt condolences to Bonnie, Michelle, Karl and the entire Schab family during this sad time. Mike and I were in the 8th grade at Cucamonga Junior High when we first met. The family had just moved to town and somehow we connected. Mike would go on to be the Saluatorian of the Alta Loma High Class of 1973-ASB vice-president and captain of the track team. I was lucky to share a lot of that journey with him. I don't think I have ever known a guy more intelligent; more funny and more loyal to family and friends. Oh, the laughs we had and the drama of youth we shared! Over the years, time and distance had split us apart to where we only talked at reunions or an occasional phone call, but despite that, Mike was always there in spirit. I carried him with me. There are people in life with whom you are friendly but Mike was my FRIEND and in my book, there isn't many more better things you can say about a man. I am going to miss him but he's not really gone. People like Mike, you carry around with you forever in your heart and in your memories. He won't be far from any of us that have cared about him and his influence on us will not fade away. Once again, you are all in my thoughts and prayers. Sincerely, John Corona

I don't think I will ever meet another person like Mike. We ran track together at Alta Loma and spent so much time together having so much fun. I will never forget either wrenching on his VW van or my bug always hanging out together. Later we lived together in Upland Ca while he was attending college. He was certainly a smart person but more than that one of best friends in those days. I haven't seen him or talked to him since then funny how time has a way of doing that. My condolences to his family and just know how much people loved him. I will carry those memories forever in my heart. God bless all of u. You are in my prayers. Bob Thacker

Mike was literally the greatest and most loyal friend that I have ever had. He would literally do anything for me. Karl said it best when he told me the news, "If you knew Mike, you loved Mike". My condolences to all of you. I already miss Mike every day. I don't do much social media, so I thought that I would share some pictures on here and maybe Instagram.

Not many are blessed with the kind of friendship that I have shared with Mike and Bonnie. I met them at their home on Mike's birthday in 1993. I didn't know one person except the one I came to the party with. Instantly they welcomed me and introduced me to so many great people. I became fast and close friends with Mike and Bonnie and her twin sister Andrea and her husband Scott. We all did so many fun things together and traveled and held each other up with our trials and tribulations. Mike and Bonnie, Scott and Andrea were always there when I experienced a life changing event that nearly destroyed me. But all of them stuck by side and supported me through it. I am beyond blessed to have such wonderful friends in my life and I will miss "Mikey" aka Spicolli (🤔) and his humor and knowledge. Mikey there will never be another you and may you shine in heaven as you did this short time on earth. You will be incredibly missed. Love to the Schab and Brotzman Family.... Jan Barrett
